What the customers say about us

@ashuri

"First time in kefi and it was amazing. The ambiance is cool and relaxing, foods are delicious. Also, staffs are friendly and accomodating. They also have other drinks if you are not coffee lover like me, their milkshake is good!"

@alecyahnel

"I fell in love with the place. It is indeed a perfect ambiance for studying and chilling out and they offer drinks and foods that were all tasty and worthwhile. The staffs was also so welcoming! I would definitely recommend Kefi for all coffee lovers! "

@marjjjuu

5 stars, 10/10, 100%!!! The cozy space that they have is highly recommended. I really like how they come up with an idea to have different spaces in just one place. Not to mention, their place smells like heaven ++ the interior designs are bomb! Their foods are also unique!! It stays in my palate until now. And ofc the matcha coffee that I ordered can't wait to taste it again.
